

SR INDUSTRIES INDIA
ISO CERTIFIED

MANUFACTURING FOR THE FUTURE

INNOVATION, EFFICIENCY AND QUALITY IN EVERY PRODUCTION

Unit-II, Fatehgarh Channa Road, Handiaya, Barnala

About Us

we are a trusted manufacturer and supplier of advanced electrical distribution products, specializing in GOAB (Gang Operated Air Break) Switches, GI Pins, and allied components. Backed by more than 25 years of expertise and an annual turnover of approximately ₹10 Crore, our company has earned recognition for delivering reliable, safe, and precisely engineered solutions. Our clientele spans both government and private sectors, including state electricity boards, contractors, and industrial enterprises. Over the years, we have successfully supported utilities, infrastructure projects, and commercial developments by consistently meeting quality standards and project timelines.

At the heart of our operations is a commitment to innovation, quality assurance, and customer satisfaction. Our skilled team of engineers and professionals continually enhances product performance and develops solutions aligned with the evolving demands of the power sector. Driven by a vision to strengthen the nation's energy infrastructure, we remain dedicated to offering cost-effective, durable, and sustainable electrical solutions that ensure safety and empower progress in every connection.

BUSINESS MODEL

01 CENTRALIZED PRODUCTION

The entire production process is carried out in our own facilities to ensure quality control and cost efficiency.

03

DISTRIBUTION & LOGISTICS

Products are delivered to customers through an integrated logistics system, with on-time delivery support.

02 RAW MATERIAL PROCUREMENT

Working with trusted suppliers to maintain quality and supply chain continuity.

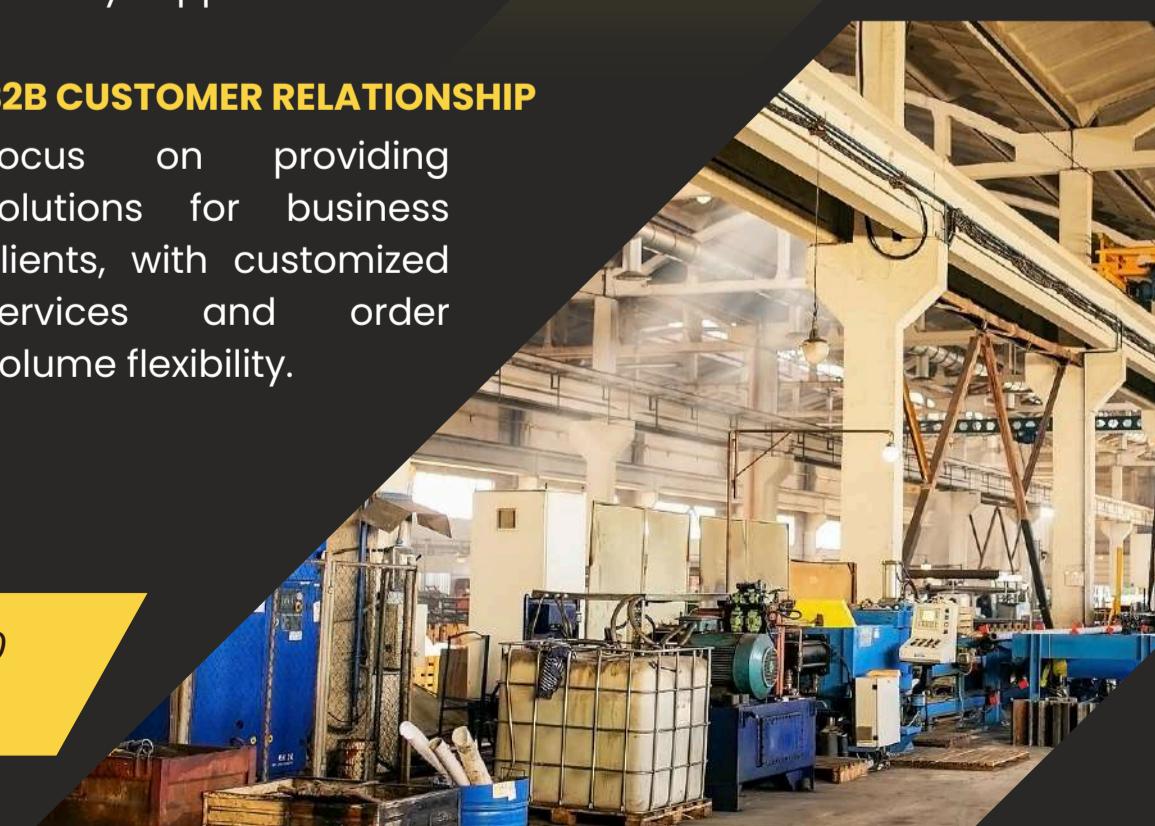

04

B2B CUSTOMER RELATIONSHIP

Focus on providing solutions for business clients, with customized services and order volume flexibility.

Our Core Products

Insulators

11 KV Porcelain Post Insulator

11 KV Porcelain Pin Insulator

11 KV Polymer Pin Insulator

11 KV Polymer Disc Insulator

11 KV Glass Insulator

11 KV Porcelain Egg/Stay Insulator

11 KV Porcelain Strain Insulator

11 KV Porcelain Shackle Insulator

GO Switches

11 KV 400 Amp Porcelain Post GO Switch

11KV 400 Amp POLYMER Post AB Switch

11 KV 400 Amp Porcelain Post GO Switch

11 KV 400 Amp Porcelain AB Switch

Earthing Material

GI Earthing Wire

GI Strips

GI Earth Bus

Copper Strips

Back Fill Compound

Earthing Rod

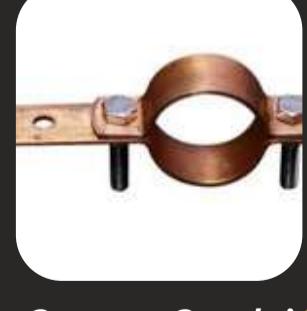

Chemical Earth Electrode

Earthpit Chamber Cover

Lighting Arrestor

Copper Conduit Earthing Clamp

Our Vendor Network & Project Portfolio

Our Trusted Vendors

We proudly collaborate with leading and government-approved vendors to ensure reliable quality, efficiency, and compliance with industry standards.

- ◆ L&T (Larsen & Toubro)
- ◆ ABB (Asea Brown Boveri)
- ◆ Star Transformers Ltd.
- ◆ Mahasakti Energy Ltd.
- ◆ A2Z Maintenance & Engineer Ltd.
- ◆ PP Industry Pvt. Ltd.
- ◆ Smar Infra & Power Project Pvt. Ltd.
- ◆ Newcon Transformer Ltd.
- ◆ Jay Bee Industries, Panchkula

Key Projects Executed

Our expertise covers a wide range of government and private sector projects, delivering high-performance electrical solutions:

- ⚡ Supply of GOAB switches, pin insulators, dead-end clamps, HT/LT fuses to Punjab & Haryana Electricity Boards.
- 🏠 Electrical supply and installations for private residential colonies.
- 🏢 Reliable solutions for commercial complexes and industrial sites.
